# Ain't No Grave

Traditional

There ain't no grave can hold my body down  
There ain't no grave can hold my body down

Well, look way down the river  
What do you think I see?  
I see a band of angels,  
And they're coming after me

Ain't no grave can hold my body down  
There ain't no grave can hold my body down

Well, look down yonder, Gabriel  
Put your feet on the land and sea  
But don't you blow your trumpet  
Until you hear from me

There ain't no grave can hold my body down  
Ain't no grave can hold my body down

Well, meet me, Jesus, meet me  
Meet me in the air  
And if these wings don't fail me  
I'll meet you anywhere

Ain't no grave can hold my body down  
There ain't no grave can hold my body down

Well, meet me, mother, meet me  
Down by the river road  
You know that I will be there  
Checking in my load

Ain't no grave can hold my body down  
There aint no grave can hold my body down

## Traditional

They grew and grew in the old churchyard  
Till they could grow no higher  
At the end they formed, a true lover's knot  
The rose around the briar.

Delia was a gambling' girl,

But she's laid her money down,

**D/A**

She's all I got and gone

Delia, Delia, why didn't you run

When Cooney come chasing after you

With that flaming fourtyfoursix gun

She's all I got and gone

Delia's mamma weep and Delia's daddy moan,

They wouldn't hated it quite so bad

If only Delia had died at home

She's all I got and gone

A rubber tired buggy and a double seated hack,

Carried Delia down to the graveyard

But they didn't bring her back

She's all I got and gone

Delia, oh how could it be

You wanted all of those gambling men

But you never had time for me

She's all I got and gone

# Fare Thee Well

          **Bm A Bm G**  
I'd fly the river to the one I love  
          **D Bm**  
Oh fare thee well, my honey  
          **A D**  
Oh fare thee well

I had a man, was long and tall  
He moved his body like a cannon ball  
Oh fare thee well, my honey  
Oh fare thee well

Remember one evening in the pouring rain  
And in my heart just an aching pain  
Oh fare thee well, my honey  
Oh fare thee well

And muddy rivers run muddy and wild  
Can't give my body for my unborn child  
Oh fare thee well, my honey  
Oh fare thee well

Just as sure as the birds fly high above  
Life ain't worth living without the one you love  
Oh fare thee well, my honey  
Oh fare thee well

**Bm F# Bm F#7**  
And me oh Lord I'm one

My mother was a tailor  
She sewed those new blue jeans  
My father was a gamblin' man  
Down in New Orleans

The only thing a gambler needs  
Is a suitcase and a trunk  
And the only time that he's satisfied  
Is when he's on a drunk

Oh, mother, tell your children  
Not to do what I have done  
Not to spend your lives in sin and misery  
In the house of the Rising Sun

I got one foot on the platform  
And the other on the train  
I'm going back to New Orleans  
To wear that ball and chain

There is a house in New Orleans  
They call the Rising Sun  
And it's been the ruin of many poor boys  
And, me oh Lord I'm one

# John Henry

John Henry, was a steel-driving man  
And now he's dead, and now he's dead  
John Henry, was a steel-driving man

John Henry, he left his hammer  
Layin' 'side the road, layin' 'side the road  
John Henry, he left his hammer

This old hammer it killed John Henry  
But it won't kill me, but it won't kill me  
This old hammer it killed John Henry

Take this hammer and carry it to my captain  
Tell him I'm gone, won't you tell him I'm gone  
Take this hammer and carry it to my captain

John Henry, he left his hammer  
Painted in red, all painted in red

John Barleycorn was dea d

They've let him lie for a very long time

Till the rains from heaven did fall

And little Sir John sprung up his head

And so amazed them all

They've let him stand till Midsummer's Day

Till he looked both pale and wan

And little Sir John's grown a long, long beard

And so become a man

They've hired men with the scythes so sharp

To cut him off at the knee

They've rolled him and tied him by the way

Serving him most barbarously

They've hired men with the sharp pitchforks

Who pricked him to the heart

And the loader he has served him worse than that

For he's bound him to the cart

They've wheeled him around and around the field

Till they came unto a barn

And there they made a solemn oath

On poor John Barleycorn

They've hired men with the crab-tree sticks

To cut him skin from bone

And the miller he has served him worse than that

For he's ground him between two stones

And little Sir John and the nut-brown bowl

And his brandy in the glass;

And little Sir John and the nut-brown bowl

Proved the strongest man at last

The huntsman, he can't hunt the fox

Nor so loudly to blow his horn

And the tinker he can't mend kettle nor pot

Without a little Barleycorn

# Lakes Of Pontchartrain

Traditional

          C      G                  F C  
It was one fine March morning  
      C          G          C  
I bid New Orleans adieu.  
          C      G          F          Am  
I was on the road to Jackson town,  
          C          F  
My fortune to renew,  
      C          G          F C  
I cursed all foreign money,  
      C          G          F  
No credit could I gain,  
          C          G          F          Am  
Which filled my heart with longing for  
      C          G          C  
The lakes of Pontchartrain.

I sat on board of a railway car,  
Beneath the morning sun,  
And I road the roads till the evening,  
And I laid my body down,  
All strangers there no friends to me,  
Till a dark girl towards me came,  
And I fell in love with a Creole girl,  
By the lakes of Pontchartrain.

I said, "My pretty Creole girl,  
My money here's no good,  
If it wasn't for the alligators,  
I would sleep out in the woods".  
"You're welcome here kind stranger,  
Our house is very plain.  
But we never turn a stranger out,  
From the lakes of Pontchartrain."

She took me to her momma's house,  
And treated me right well,  
The hair upon her shoulder  
In jet black ringlets fell.  
To try and paint her beauty,  
I'm sure it'd be in vain,  
So handsome was my Creole girl,  
By the lakes of Pontchartrain.

I asked her would she would marry me,  
She said it could never be,  
For she had got another man,  
How was out at the sea.  
She said that she would wait for him  
And faithful she'd remain.  
Waiting for her sailor man,  
By the lakes of Pontchartrain.

So fare you well my Bonny ol girl,  
I'll never see you no more,  
I wont forget your kindness  
In the cottage by the shore.  
At every social gathering  
A flowing glass I'll raise,  
To the health of my Creole girl,  
And the lakes of Pontchartrain.

# Lily Of The West

**C#m**                      **E**                      **E/C**                      **C#m**  
When I first came to Louisville, my fortune there to find  
                                 **A**                      **E**                      **G#m**                      **C#m**  
I met a fair young maiden there, her beauty filled my mind  
                                 **E**                      **E/C**                      **C#m**  
Her rosy cheek and ruby lips, they gave my heart no rest  
                                 **A**                      **E**                      **G#m**                      **C#m**  
The name she bore was Flora, the lily of the west

I courted lovely Flora, she promised ne'er to go  
But soon a tale was told to me that filled my heart with woe  
They said she meets another man who holds my love in jest  
And yet I trusted Flora, the lily of the west

Way down in yonder shady grove, a man of low degree  
He spoke unto my Flora there and kissed her 'neath a tree  
The answers that she gave to him like arrows pierced my breast  
I was betrayed by Flora, the lily of the west

I stepped up to my rival there, my dagger in my hand  
And seized him by his collar and ordered him to stand  
All in my desperation I stabbed him in his chest  
I killed a man for Flora, the lily of the west

And then I had to stand my trial, I had to make my plea.  
They put me in a pris'ner's dock and then commenced on me  
Although she swore my life away, deprived me of my rest  
Still I love my Flora, the lily of the west

# Little Sadie

Run back home and got to bed

**Dm F Gm**

Forty-four smoking under my head

Woke up in the morning 'bout a half past nine,

The hacks and buggies standing in line,

The gents and gamblers standing all round,

Taking little Sadie to her burying ground

Begin to think what a deed I'd done

Grabbed my hat and away I run,

Made a good run, but a little too slow

They overtook me down in Jericho

Standin' in the corner ringin' a bell

Along came the sheriff from Thomasville

Says "Young man, your name is Brown,

Remember the night you shot Sadie down?"

Oh, yes sir, my name is Lee,

I murdered little Sadie in the first degree

First degree, second degree

Got any papers to read 'em to me

They took me downtown, dressed me in black

Put me on a train and sent me back

Sent me back to the county jail

Got nobody to go for my bail

The judge and jury they took the stand

The judge had the paper in his right hand

Forty-one days, forty-one nights,

Forty-one years to wear the ball and stripes

The Gospel for to hear

And when the meeting it was done

She cast her eyes about

And there she saw little Matty Groves

Walking in the crowd

"Come home with me, little Matty Groves

Come home with me tonight

Come home with me, little Matty Groves

And lie down by my side"

And Matty Groves he lay down

And took a little sleep

When he awoke, Lord Donald was

Standing at his feet

Saying, "How do you like my feather bed

How do you like my sheets

How do you like my lady

Lying in your arms asleep?"

"Oh, well I like your feather bed

And well I like your sheets

But better I like your lady

Lying in my arms asleep"

"Oh, get up, get up", Lord Donald cried

"Get up as quick as you can

It'll never be said in fair England

I slew a naked man"

And Matty struck the very first blow

And hurt Lord Donald sore

Lord Donald struck the very next blow

And Matty struck no more

And then Lord Donald he took his wife

And he put her on his knee

Saying, "Who do you like the best of us

Matty Groves or me?"

And then up spoke his own dear wife

She never spoke so free

"I'd rather kiss dead Matty's lips

Than you or your finery"

And then Lord Donald, he jumped up

And loudly he did bawl

And struck his wife right through the heart

And pinned her against the wall

"A grave, a grave," Lord Donald cried

"To put these lovers in

But bury milady at the top

For she was of noble kin"

Shady Grove, my little love  
I'm bound to go away

Cheeks as red as a blooming rose  
Her eyes of prettiest brown  
She's the darling of my heart  
Sweetest girl in town

I wish I had a big brown horse  
And corn to feed him on  
My Shady Grove to stay at home  
And feed him while I'm gone

Went to see my Shady Grove  
She was standing in the door  
Her shoes and stockin's in her hand  
Her little bare feet on the floor

When I was a little boy  
I wanted a Barlow knife  
Now I want my Shady Grove  
To say she'll be my wife

A kiss from my Shady Grove  
Is sweet as brandy wine  
There ain't no girl in this whole wide world  
That is prettier than mine

Shady Grove, my little love  
Shady Grove I say  
Shady Grove, my little love

# Stackerlee

Traditional

E  
I remember one September,  
E  
On one Friday night,  
A  
Stackerlee and Billy Lyon,  
A  
Had a great big fight,  
A  
He's a bad man, oh, cruel Stackerlee

Stack, he says to Billy  
You can't play like that,  
First you won my money,  
Now you're trying to get my hat,  
He's a bad man, oh, cruel Stackerlee

And Billy shot six bits,  
And Stack, he bet he passed,  
Stack, out with a forty-five,  
Said you've shot your last,  
He's a bad man, oh, cruel Stackerlee

Oh Mister Stackerlee,  
Please don't take my life,  
At home I got three children,  
And a darlin' lovin' wife,  
He's a bad man, oh, cruel Stackerlee

God will take your children,  
I'll take care of your wife,  
First you took my money,  
Now I'm gonna take your life,  
He's a bad man, oh, cruel Stackerlee

A woman there came a running,  
She fell down on her knees,  
Crying, Oh Mister Lee,  
Don't shoot my brother please,  
He's a bad man, oh, cruel Stackerlee

Woman to the sheriff,  
Oh how can that be,  
You can arrest everybody,  
But you're afraid of Stackerlee,  
He's a bad man, oh, cruel Stackerlee

Sheriff walked up to Stackerlee,  
He was lying there asleep,  
The sheriff he got Stackerlee,  
When he jumped up on his feet,  
He's a bad man, oh, cruel Stackerlee

Stack says to the jailer,  
Jailer, I can't sleep,  
Cause all around my bedside,  
Billy Lyon begins to creep,  
He's a bad man, oh, cruel Stackerlee

Two o'clock next Tuesday,  
On a scaffold high,  
People coming from miles all around,  
Just to watch old Stackerlee die,  
He's a bad man, oh, cruel Stackerlee

Down in New Orleans,  
There's a place called Lions Club,  
Where every step you take,  
You're stepping in Billy Lyon's blood,  
He's a bad man, oh, cruel Stackerlee

Remember one September,  
On one Friday night,  
Stackerlee and Billy Lyon,  
Had a great big fight,  
He's a bad man, oh, cruel Stackerlee

# The Boy Who Wouldn't Hoe Corn

## Traditional

Am F  
Tell you a story, it won't take long,  
G Am  
'Bout a lazy farmer who wouldn't hoe his corn.  
F  
The reason why I never could tell,  
G Am  
That young man was always well.

He planted his corn in the month of June.  
By July it was up to his eyes.  
Come September, came a big frost.  
And all the young man's corn was lost.

His courtship had just begun.  
Said: "Young man, have you hoed some corn?"  
"Well, I tried and I tried, but I tried in vain.  
And I don't believe I raised one grain."

He went down to his neighbour's door.  
Where he had often been before.  
Sayin': "Little miss, will you marry me?  
Little miss what do you say?"

"Why do you come for me to wed?  
You can't even make your own corn grain.  
"Single I am, single I will remain.  
A lazy man, I won't maintain."

So he turned his back and walked away.  
Saying: "Little miss, you will rue the day.  
You will rue the day that you were born.  
For givin' me the devil 'cos I wouldn't hoe corn."

On the trail of the buffalo

I found myself in Texas

In the year of '83

A well known famous drover

Came walking up to me

Saying, "How do you do, young fellow

How would you like to go

And spend the summer pleasant

On the trail of the buffalo?"

Being out of work right then

To the drover I did say

"Going out on the buffalo trail

Depends on the pay"

But if you'll pay good wages

Transportation to and fro

I think I might go with you

On the trail of the buffalo

Of course I'll pay good wages

And transportation too

If you agree to work for me

Until the season's through

But if you do get homesick

And try to run away

You will starve to death

And also lose your pay

With all his flattering talking

He signed up quite a train

Some ten or twelve in number

Some able bodied men

Our trip it was a pleasant one

Through good old Mexico

Until we crossed Pease River

On the trail of the buffalo

There our pleasures ended

The troubles all began

A lightening storm came on us

And made the cattle run

And we got full of stickers

From the cactus that did grow

All along the path

On the trail of the buffalo

When our season ended

The drover would not pay

He said you lost your money boys

You're all in debt to me

But the cowboys they had never heard

Of a thing like bankrupt law

So they left the bastard's bones to bleach

On the trail of the Buffalo

On the trail, on the trail

On the trail, on the trail

On the trail

# Cowboy Man

Boothill Society

Bring me my cowboy, tell him I'm waiting  
Or else my heart will go insane

Bring me my cowboy, he's such a fine guy  
It does me harm no words could tell

And ever since the day he rode off  
When our hearts and herds were split in two  
And ever since the day he rode off  
I am waiting for my cowboy man

Bring me my cowboy, tell him I'm waiting  
Or else my heart's expecting rain

Bring me my cowboy, he's such a fine guy  
It does me harm no words could tell

And ever since the day he rode off  
When our hearts and herds were split in two  
And ever since the day he rode off  
I am waiting for my cowboy man

With his cattle he keeps trekking  
From California to Ohio  
And the sand of endless valleys  
Keeps sticking to his boots

And ever since the day he rode off  
When our hearts and herds were split in two  
And ever since the day he rode off  
I am waiting for my cowboy man  
I am waiting for my cowboy  
Waiting for my cowboy  
Waiting for my cowboy man

Turn by turn I rolled a dice

Turn by turn I lost the price

Cannot not think of her

Cannot wait till she's back again

Bring me my flying shoes

I have to see her again

Letter by letter I wrote to her

Letter by letter my ink got blurred

Can't hold this goddamn pen

Can't hold it till she's back again

Bring me my flying shoes

I have to see her again

Song by song I sang to her

Song by song my voice got furred

Can't sing this song no more

Can't sing it till she's back again

Bring me my flying shoes

I have to see her again

Bring me my flying shoes

I have to see her again

Good bye honey, so long

None of your crying can call me back  
None of your crying will open up the sack  
None of your crying can call me back  
Good bye honey, so long

Just one more kiss before you go  
Just one more kiss don't want no more  
Just one more kiss before you go  
Good bye honey, so long

You've got your kiss the road is calling  
You've got your kiss I love you darlin'  
You've got your kiss the road is calling

He was no friend, he was no friend

And then I took off to the hills  
And then I took off to the hills  
And there I hid inside a tree  
Where no man can ever find me  
Ain't got no friend, ain't got no friend

But someone dropped a dime on me  
But someone dropped a dime on me  
And so they caught me in my tree  
And I had to answer for my deed  
He was a friend, my only friend

For I ain't be that person no more

For no reason I've been travelling  
Nowhere I stayed for long  
For no reason I've been travelling  
Now I'm travelling home  
Cause a wayfare needs an ending  
And now I'm knocking at your door  
For I ain't be that person no more

Many houses I stopped by  
Many pretty girls I met  
Many houses I stopped by  
Disremember what they said  
But now those days are over  
And I'm knocking at your door  
For I ain't be that person no more

I've never been no rich man  
Not a penny to my name  
I've never been no rich man  
What I own I spend  
Last dollars on a ticket  
And now I'm knocking at your door  
For I ain't be that person no more

I know you deserve better  
I know a fool I am  
I know you deserve better  
Let's start all over again  
So I hope you will forgive me  
While I'm knocking at your door  
For I ain't be that person no more  
For I ain't be that person no more

I don't think I should save my money

They say I should go to school  
They say I should go to school  
But if all I wanna learn  
Is taught on the streets  
I don't think i should go to school

I don't think I should settle down

They say I should hail the king  
They say I should hail the king  
But if he is nothing  
But a stupid old jerk  
I don't think I should hail the king

And for my thirty-first birthday  
I'll get myself a bell  
A bell that rings out freedom  
Freedom to relax and chill  
Where noone has to hide  
And noone ever has to burn  
Yes for my thirtyfirst birthday  
Darling, get yourself a bell
