Eleanor Rigby

The Beatles

G#m **G#m7** **G#m6** **G#m** **E**
Eleanor Rigby picks up the rice in the church where a wedding has been
G#m
Lives in a dream, waits at the window,
G#m7 **G#m6** **G#m** **E**
Wearing the face that she keeps in a jar by the door
G#m
Who is it for?

C#7
All the lonely people
E **G#m**
Where do they all come from?
C#7
All the lonely people
E **G#m**
Where do they all belong?

Father McKenzie writing the words of a sermon that no one will hear
No one comes near, look at him working
Darning his socks in the night when there's nobody there
What does he care?

All the lonely people
Where do they all come from?
All the lonely people
Where do they all belong?

E **C#7** **G#m**
Ah, look at all the lonely people
E **C#7** **G#m**
Ah, look at all the lonely people
E **C#7** **G#m**
Ah, look at all the lonely people
E **Gb/A#** **G#m**
Ah, look at all the lonely people

G#m **G#m7** **G#m6** **G#m** **E** **G#m**
G#m **G#m7** **G#m6** **G#m** **E** **G#m**

Eleanor Rigby died in the church and was buried along with her name
Nobody came, father McKenzie
Wiping the dirt from his hands as he walks from the grave
No one was saved

All the lonely people
Where do they all come from?
All the lonely people
E **Gb/A#** **G#m**
Where do they all belong?

Some are dead and some are living

In my life I've loved them all

But of all these friends and lovers

There is no one compares with you

And these memories lose their meaning

When I think of love as something new

And I know I'll never lose affection

For people and things that went before

And I know I'll often stop and think about them

In my life I love you more

I once had a girl, or should I say, she once had me
E D A/C# E
She showed me her room, isn't it good, Norwegian wood

She asked me to stay and she told me to sit anywhere

So I looked around and I noticed there wasn't a chair

I sat on a rug, biding my time, drinking her wine
We talked until two, and then she said, it's time for bed
She told me she worked in the morning and started to laugh
I told her I didn't and crawled off to sleep in the bath

Something

The Beatles

E **Emaj7**
Something in the way she moves
E7 **A**
Attracts me like no other lover
F#7 **B**
Something in the way she woos me
C#m **C**
I don't wanna leave her now
C#m **Gb7/A# A B**
You know I believe, and how

Somewhere in her smile she knows
That I don't need no other lover
Something in her style that shows me
I don't wanna leave her now
You know I believe and how

But it all works out
A B A E
It doesn't matter much to me

Let me take you down,
'cause I'm going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields forever

No one, I think, is in my tree
I mean, it must be high or low
That is, you can't, you know, tune in
But it's alright
That is, I think it's not too bad

Let me take you down,
'cause I'm going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields forever

Always, no, sometimes, think it's me
But, you know, I know when it's a dream
I think, er, no, I mean, er, yes
But it's all wrong
That is, I think I disagree

Let me take you down,
'cause I'm going to strawberry fields
Nothing is real and nothing to get hung about
Strawberry fields forever

The man of a thousand voices talking perfectly loud

But nobody ever hears him, or the sound he appears to make

And he never shows his feelings

But the fool on the hill sees the sun going down

And the eyes in his head see the world spinning round

Oh_____ oh_____

And he never listens to them, he knows that they're the fool

They don't like him

With A Little Help From My Friends

The Beatles

C#

C# **Ab/C** **A#m7** **Bbm6**
What would you think if I sang out of tune,
 F#m **G#** **C#**
Would you stand up and walk out on me.
C# **Ab/C** **A#m7** **Bbm6**
Lend me your ears and I'll sing you a song,
 F#m **G#** **C#**
And I'll try not to sing out of key.

Bbm6 **A7** **C#**
Oh, I get by with a little help from my friends,
 Bbm6 **A7** **C#**
Oh, I get high with a little help from my friends,
 Bbm6 **A7** **B** **C#**
I'm gonna try with a little help from my friends.

C#

What do I do when my love is away,
Does it worry you to be alone.
How do I feel by the end of the day,
Are you sad because you're on your own.

Oh, I get by with a little help from my friends,
Oh, I get high with a little help from my friends,
I'm gonna try with a little help from my friends.

C#

A#m **D#7**
Do you need anybody,
 C# **B** **Gb/A#**
I need somebody to love.
 A#m **D#7**
Could it be anybody
 C# **B** **Gb/A#**
I want somebody to love.

C#

Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine.

Oh, I get by with a little help from my friends,
Oh, I get high with a little help from my friends,
I'm gonna try with a little help from my friends.
