Dm
Oh, show us the way
To the next whiskey bar

Gm Dm
Oh don't ask why
Gm Dm
Oh don't ask why

C
For if we don't find
F A#
The next whiskey bar

Dm
I tell you we must die
A7 Dm
I tell you we must die

F G7
Oh, moon of Alabama
A# A Dm
It's time to say goodbye
F G7
We've lost our good old mama
A# A Dm
And must have whiskey, you know why

Oh, show us the way
To the next little dollar
Oh, don't ask why
Oh, don't ask why
For if we don't find
The next little dollar
I tell you we must die
I tell you we must die

Oh, moon of Alabama
It's time to say goodbye
We've lost our good old mama
And must have whiskey, you know why

Oh, show us the way
To the next little girl
Oh, don't ask why
Oh, don't ask why
For if we don't find
The next little girl
I tell you we must die
I tell you we must die

Oh, moon of Alabama
It's time to say goodbye
We've lost our good old mama
And must have whiskey, you know why

Drink up, baby, look at the stars

I'll kiss you again between the bars

Where I'm seeing you there with your hands in the air

Waiting to finally be caught

Drink up one more time and I'll make you mine

Keep you apart, deep in my heart

Separate from the rest where I like you the best

And keep the things you forgot

People you've been before

That you don't want around anymore

That push and shove and won't bend to your will

I'll keep them still

Billie Jean

Michael Jackson

Dm Am Dm Am

Dm Am Dm

She was more like a beauty queen from a
movie scene

Dm Am D

I said, "Don't mind, but what do you mean, I
am the one

Dm

Who will dance on the floor in the round?"

Gm7

She said I am the one

Dm

Who will dance on the floor in the round

Am Dm Am

Dm Am Dm

She told me her name was Billie Jean as she
caused a scene

Dm Am Dm

Then every head turned with eyes that
dreamed of bein' the one

Dm

Who will dance on the floor in the round

Bb Dm

People always told me, "Be careful of what
you do

Bb Am Dm

Don't go around breakin' young girls' hearts"

Bb Dm

And mother always told me, "Be careful of
who you love

Bb

And be careful of what you do

A7b13

'Cause the lie becomes the truth"

Dm Am Dm Am

Billie Jean is not my lover

Dm Am Dm Gm7

She's just a girl who claims that I am the one

Dm

But the kid is not my son

Gm7

She says I am the one

Dm

But the kid is not my son

For forty days and for forty nights, law was on
her side

But who can stand when she's in demand?

Her schemes and plans

'Cause we danced on the floor in the round

So take my strong advice

Just remember to always think twice

She told my baby we'd danced 'til three, then
she looked at me

Then showed a photo of a baby cryin', his
eyes were like mine

Go and dance on the floor in the round

People always told me, "Be careful of what
you do

And don't go around breakin' young girls'
hearts"

But she came and stood right by me

Just the smell of sweet perfume

This happened much too soon

She called me to her room

Billie Jean is not my lover

She's just a girl who claims that I am the one

But the kid is not my son

She says I am the one

But the kid is not my son

Dm F Dm F

Dm

Words like violence

Fm

Break the silence

A#

Come crashing in

A#

Into my little world

Painful to me

Pierce right through me

Can't you understand

Oh my little girl

Gm

All I ever wanted

A#

All I ever needed

Dm

C

Is here in my arms

Gm

A#

Words are very unnecessary

Dm

C#

They can only do harm

Dm F Dm F

All I ever wanted

All I ever needed

Is here in my arms

Words are very unnecessary

They can only do harm

Dm F Dm F

Vows are spoken

To be broken

Feelings are intense

Words are trivial

Pleasures remain

So does the pain

Words are meaningless

And forgettable

All I ever wanted

All I ever needed

Is here in my arms

Words are very unnecessary

They can only do harm

D F#7 Bm Bm/A
This is the first day of my life
G A D
Swear I was born right in the doorway
D F#7 Bm Bm/A
I went out in the rain, suddenly everything changed
E7/G# Asus7 A7
They're spreading blankets on the beach
D F#7 Bm Bm/A
Yours is the first face that I saw
G A D
Think I was blind before I met you

E7/G# Asus7 A7
But I know where I want to go

D D/A Bm
So I thought I'd let you know
G A7
That these things take forever
D D/C# Bm
I especially am slow

But I realized how I need you
G A7 D F#7 Bm Bm/A Gmaj13 G6 Gm
And wondered if I could come home

Bm D/A Bm D/A G Asus6/9 A#maj7 Bb6

Remember the time you drove all night
Just to meet me in the morning?
I thought it was strange, you said everything changed
You felt as if you'd just woke up
You said, "This is the first day of my life
Glad I didn't die before I met you
Now I don't care, I could go anywhere with you
And I'd probably be happy"

So if you wanna be with me
With these things there's no telling
We just have to wait and see
E7/G#
But I'd rather be working for a paycheck

Than waiting to win the lottery

Besides, maybe this time is different

Says, "Leave it alone"

Don't wanna hear about it
Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the Hounds of Hell
And if it's comin' back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do
And the message comin' from my bones
Says, "Find a home"

I'm goin' to Wichita
Far from this opera forevermore
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleedin', and I'm bleedin', and I'm bleedin'
Right before the Lord
All the words are gonna bleed from me
And I will think no more
And the message comin' from my blood
Says, "Go back home"

Which came as a surprise **A**

With the man who sold the world **A# F#**

I laughed and shook his hand
And made my way back home
I searched for form and land
For years and years I roamed
I gazed a gazeless stare
At all the millions here
I must have died alone
A long, long time ago

Who knows? Not me
We never lost control
You're face to face
With the man who sold the world
