That lovin' Calorado girl of mine				

The promise in her smile
Shames the mountains tall
The promise in her smile
Shames the mountains tall
She brings the sun to shining
Tells the rain to fall

And it's been a long time, mama,
Since I heard you call my name
And it's been a long time, mama,
Since I heard you call my name
I got to see my Colorado girl again

Just be there tomorrow
Mama, don't you cry
Just be there tomorrow
Now, mama, don't you cry
I got to kiss these lonesome
Texas blues good-bye

Townes Van Zandt

They found her down beneath the stairs
That led to Gypsy Sally's
And in her hand when she died
A note that cried
Fare thee well

Sometimes I don't know where this dirty road is taking me
C#m **G#m**
Sometimes I don't know the reason why

I guess I'll keep on gambling

Lots of booze and lots of rambling

It's easier than just waiting around to die

Once I had a ma, once I had a pa
He beat her with a belt because she cried
Told him take care of me
Headed down to Tennessee
It was easier than just waiting around to die

I came of age, met a girl in a Tuscaloosa bar
She cleaned me out and hit it on the sly
I tried to kill the pain, bought some wine
And hopped a train
Seemed easier than just waiting around to die

A friend said he knew, where some easy money was
We robbed a man, and brother did we fly
Police caught up with me
Drug me back to Muskogee
Now it's two long years of waiting around to die

Now I'm out of prison, I got me a friend at last
He don't drink or steal or cheat or lie
His name is Codine
He's the finest thing I've ever seen
And together we're gonna wait around and die
And together we're gonna wait around and die
